

The Allied Health and Sciences Center will be a 3-story, 98,000 sq. ft. facility that will house teaching labs and classrooms, and incorporate “green building” elements, including energy-efficiency measures. The building will house the Biology, Chemistry and Physics, Nursing, Respiratory Therapy, Earth Sciences, and Anthropology departments.

TOP: Helping to celebrate the dedication of the new Maintenance & Operations Building and Sheriff's Station are (l-r) Sheriff's Department Captain Roosevelt Blow, Chief Ronnie Williams of the Sheriff's Department, Supervisor Zev Yaroslavsky (holding scissors), Trustee Georgia Mercer, Valley College President Tyree Wieder, and Chancellor Rocky Young.

## LOS ANGELES VALLEY COLLEGE

Los Angeles Valley College is located in the eastern San Fernando Valley in Valley Village. The College celebrated the opening of its first building, the \$6.6 million, 28,000 square foot, Maintenance and Operations Building and Sheriff's Station. This new building has the distinction of being the first LEED™-certified, bond-funded building among the nine campuses.

The Campus Center 2nd Floor and Foreign Language Building each received major renovations last summer. The Behavioral Science Building is currently under major renovation. The groundbreaking ceremony for the new Allied Health & Sciences Center was held on July 5, 2006. Valley College also recently celebrated the opening of its new state-of-the-art Monarch Stadium with its unique 10-lane Mondo track and synthetic grass playing surface.

### COMING OVER THE NEXT YEAR

Continuing construction for the Allied Health & Sciences Center, a major new academic building

Renovation of Behavioral Sciences Building

Upgrades to restrooms throughout campus

Renovation of Gymnasium Complex

A new Concession Stand and Restroom Project at the entrance to Monarch Stadium

Major renovations in the summer of 2007 for the Art Building, Theater Arts Building, Music Building, Business Journalism Building and an expansion to the Motion Picture Building

Central Plant Upgrades
